- The first named in each tie is the Challenger
- The Challenger has the choice of venue
- The Challenger is responsible in the first instance for arranging the tie
- The Challenger must contact his Opponent at the earliest and offer a minimum choice of three dates
- One of the dates offered must be at a weekend and not more than two dates may be in the same week
- If the Opponent is unable to play on any of the dates offered the Challenger may claim the tie
- If the Challenger fails to offer the Opponent dates as detailed above, the Opponent may claim the tie

NB THE INTENTION IS TO HAVE TIES PLAYED WHEREVER POSSIBLE AND NOT TO HAVE WALKOVERS PLEASE DO GET ON THE PHONE WHEN YOU RECEIVE THIS DRAW – DO NOT LEAVE IT UNTIL THE LAST WEEK AND, OF COURSE, THERE IS NO REASON WHY THE OPPONENT MAY NOT MAKE FIRST CONTACT

- FOURSOMES – Half the combined Handicap difference is given.

In Foursomes Ties where taking on as many as 3 guests can be expensive, it is suggested that green fees might be split four ways.
